Dear Valued Customer:

National Shipping of America is pleased to announce a new schedule change on our Houston Southbound sailing in an effort to improve our service. We are adjusting the Southbound Sailing from Houston to San Juan to arrive and depart on Friday, instead of the current departure on Thursdays. The change will allow one more working day in Houston to receive cargo. This will reduce transit time to San Juan by one day as arrival in San Juan will remain on Thursdays.

Our schedule change will be starting on voyage 087SB. Voyage 087SB will sail on Friday 09/16/16 and the cut off will be 9/15/16.

The new cut off will be Thursday at 4:00 pm, documentation cut off will also be Thursday at 4:00pm. Due to the new challenge of a shorter southbound leg we are implementing a documentation late fee of \$75.00 to any documents that arrive after the documentation cut off on Thursday.

Sincerely yours,
